

Welcome back to school! Mrs Bell is looking forward to seeing you all.

Because we need to follow strict guidelines to help keep everyone safe, please take note of the following information.

- You must arrive at school between **8.30am – 8.45am.**

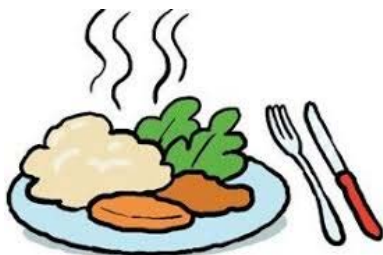

- Remember to **socially distance** on your way to school and when you get here.

- Use the Cocken Lane door when you arrive at school. Mr Kennedy will be there to greet you.

- Go straight in, hang your coat up and **wash your hands** in the classroom before sitting down. We will also wash our hands regularly throughout the day.

Playtimes are at **different times** for each year group. Your class will be given a zone to play in and it is very important that you stay in that area and only play with people in your class.

- You will eat your lunch in your classroom. You will pre-order school dinners in the usual way. Please note, we require two weeks' notice to change to a packed lunch.
- At home time, everyone needs to keep to the left when you leave school. Parents will come in through the main entrance and wait for you on the yard. Teachers will dismiss you one at a time to make sure everyone socially distances on the way home. You must let us know if you are walking home by yourself. You will finish school at **3.15 pm.**

When you come back to school we will be doing lots of nice activities so you can settle in quickly. If you are worried or anxious about coming back to school, please ask your mum or dad to get in touch via Weduc to let us know. We can't wait to see you!
